### We have a WINNER!!

Actually, we have 4 winners (Jenny, Noggs, Smudge and Chris S) and after trying to think of a question for these winners to find only one, I decided the easiest thing for me was to get the president to pick out a name out of the hat.

So at the Southeast meet on Saturday 5<sup>th</sup> January Matt was asked to pick a winner:

Matt picked out **CHRIS S** from London

### Congratulations

Thank you to everyone who went in for the competition, well done Chris!

## Fantasy Football 2008

Every year we run this league via our forum and we have a new champion this year. Nigel who won it last year did get to the play-offs but got knocked out. The overall winner for 2008 was Terry and he is awarded the Lombardi Trophy.

This is the only picture I can find of Terry. He is the first on your left in the light blue jacket.

**CONGRATULATIONS  
TERRY**

## Sky Sports – Nick Halling

As the Seahawks have been getting more coverage on Sky, it is worth e-mailing them as they do read them out. Over the last 2/3 weeks I have had an e-mail read out, I have heard Deano's name mentioned and also James (who did the fanzone on the Superbowl). Thanks to Nick Halling plugging the UK Seahawks website, we had a few new people look in. I sent an e-mail to Nick thanking him for plugging our website and organisation. His reply was that he is always happy to plug anything that is a good. He praised our website. Made me smile.

## South-East Meet

There was a meet organised for the South – East via the forum for the first play-off game against the Redskins. 12 of us met up. I always like these get togethers as suddenly you don't feel so alone supporting the Seahawks. Moment of the night for me – Noggs sitting there all calm, saying, come on Seahawks let's have a pick! And the very next ball the Redskins threw an interception. Classic. Here are some photos from the night.

## Forum

I always plug the forum in this newsletter as it is our way of keeping up-to-date with our team and other Seahawks fans. Also you can have an opinion.

## I am always after your news

If you have any news, trips, meet ups planned, photos etc, please, please, please let me know. Firstly, I am very nosey and secondly this newsletter is yours as much as mine and without news then it would be dull and boring. It also ends up very short (like today)  
Cheers

## Notes from our President

I write on Thursday before the Green Bay Playoff game still smiling from the victory over the Redskins. Whilst it's the toughest possible road to Arizona I have got some provisional plans in place for a Superbowl Meet Up if required. The most sensible option would be one of the Bar Sports venues most likely Loughborough. The major reason being its location with Guest Houses & Hotels within short distance & no need to drive back along country roads. Look out for more details on this subject should we progress this far.

### Subs for 2007

Another reminder for paying your 2008 Subs as the Seahawks financial year runs from January to December. This is an American thing & does not run alongside the financial year of April to March here in the UK. Please make your payments promptly.

Andrew Robinson advised me that there are some members who have yet to pay their Subs for 2007!! Frankly, I am very disappointed by this & we will require immediate payment from those who have not paid for last year. If this is a genuine oversight on your part then please check your records if you are uncertain. This is also unfair on those who pay their Subs on time whilst some get the same privileges for nothing. I also consider it a poor use of our Treasurers time if he has to chase people for overdue Subs.

Also, if you feel that Membership is not worth £10 PA then please let me know. Give me a call at home on 01296 680305 any evening except Fridays & Saturdays. Similarly, if you do not wish to continue your membership please advise & we can remove you from our list. Some members may feel that we can get by without their Subs but we already have substantial commitments to pay our Dues to Kirkland, Website Hosting Fees, Postage costs, Printing etc. It all adds up to a significant amount. If you add the cost of Augusts BBQ & our Annual donation to Charity there is genuine pressure on our Bank Balance.

If we are going to continue to stage Events like our BBQ & more in the future they do cost money. Please remember to pay promptly.

## **AGM**

I am currently making arrangements for this & the date will be determined by if the Hawks make it to the Superbowl. If this happens then it will be held prior to the game on February 3 & take approximately 2 hours. If this does not happen then it is likely to be at my home in North Buckinghamshire the length of the meeting will be similar. Whichever location we use it will definitely be held before the end of February.

Whatever you would like to raise we will discuss. Please get your ideas or questions to Paula ASAP. Or better still, turn up in person.

## **WIFI Locations**

I am delighted to announce that the Willoughby Arms, Kingston upon Thames has a WIFI set up so a group can watch Hawks games not being shown on Sky. There is a charge for this service from Yahoo which we can justify if there is enough interest for a particular game.

Please advise if you are aware of any similar locations in other parts of the Country.

That's all from me for this Month. **GO SEAHAWKS!!!!**
